

402 SERVICES TO PATRONS WITH DISABILITIES

The Nippersink Public Library District offers the same services to patrons with disabilities as to all other segments of the population. In addition to those services, the Nippersink Public Library District acts as facilitator between the patron and Services to the Blind and Physically Handicapped, offers home delivery to patrons with disabilities which prevent them from coming to the library, and welcomes service animals in the library. When a patron cannot come to the library because of disabilities or unusual circumstances, the librarian may copy and mail up to 10 pages of information. However, no tax forms will be mailed.
